Bill of Material (BOM)

1. Login
2. Supplier Workload Page
3. BOM Download

Supplier Log in

The **log in** process for **Supplier** is made of **two steps**: access the **GE extranet** first and log in **Oracle iSP** after .

1 Enter User ID and Password

User ID: 105034430

Password:

Save my GE Single Sign On User ID

2 Log In

3 Username: 105043243

Password:

4 Login

To enter in GE extranet use the following link
http://www5.gepower.com/OA_HTML/AppsLocalLogin.jsp ,
enter your SSO and password and then click on **Log In**.

To access Oracle iSP enter your SSO and password and then click on **Submit / Connessione.**

For all Supplier users is present only one responsibility and for this reason the system automatically opens the iSP home page. The OG Supplier Portal Full Access responsibility allows the Supplier users to see and manage all the RFQs, POs and Notifications related with his company. Moreover this responsibility v supplier bank accounts, attachment uploaded by suppliers, dated by suppliers.

BOM Download

Enter in the **Shipment** tab in which there are all the functionalities useful to export the Bill of Material
