Request A Single Sign On ID (SSO)

To request a SSO Id select the Online Tools menu at www.gepower.com

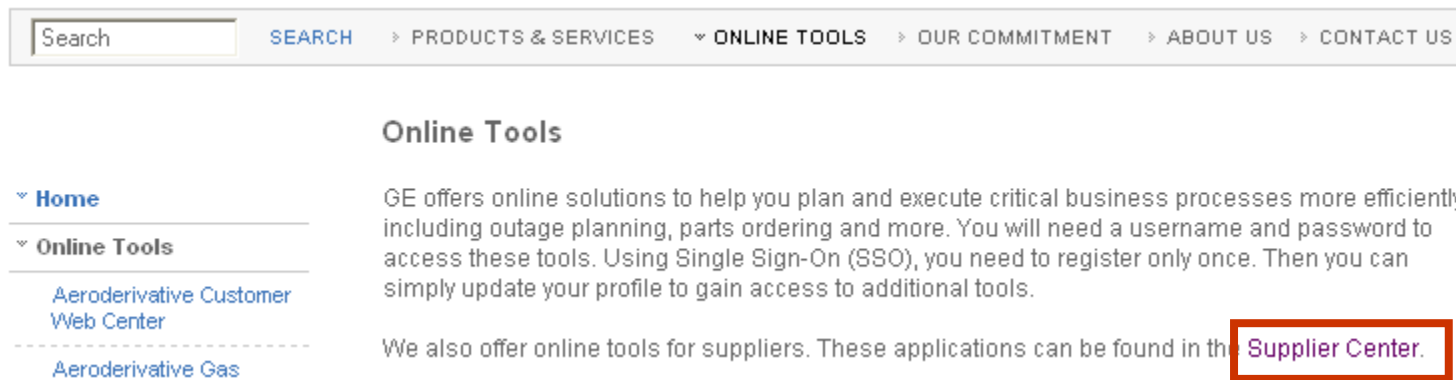

The screenshot shows the top navigation bar of the GE Power website. The 'ONLINE TOOLS' menu item is highlighted with a red box. Below the navigation bar, the 'Online Tools' section contains three dropdown menus labeled 'Online Tools', 'Sell to GE', and 'Technical Library', each with a 'GO' button. The 'Welcome' section features a heading and a paragraph of text about GE's services, with a 'Learn More' link. The 'GE Stock' section displays the date and time (Jun 13, 2008 10:30 ET) and the stock price (28.71 -0.34) with a red downward arrow. The 'News' section includes a link to a news article dated Jun 12, 2008.

If you have an existing SSO Id skip to slide # 6

Request A Single Sign On ID (SSO)

Next click “Supplier Center”

The screenshot shows a website header with a search bar and navigation links: SEARCH, PRODUCTS & SERVICES, ONLINE TOOLS, OUR COMMITMENT, ABOUT US, and CONTACT US. Below the header is a sidebar with a dropdown menu for 'Online Tools' containing 'Aeroderivative Customer Web Center' and 'Aeroderivative Gas'. The main content area is titled 'Online Tools' and contains text about GE's online solutions. A red box highlights the text 'Supplier Center' in the paragraph: 'We also offer online tools for suppliers. These applications can be found in the [Supplier Center](#).'

Search [SEARCH](#) > [PRODUCTS & SERVICES](#) > [ONLINE TOOLS](#) > [OUR COMMITMENT](#) > [ABOUT US](#) > [CONTACT US](#)

Online Tools

GE offers online solutions to help you plan and execute critical business processes more efficiently, including outage planning, parts ordering and more. You will need a username and password to access these tools. Using Single Sign-On (SSO), you need to register only once. Then you can simply update your profile to gain access to additional tools.

We also offer online tools for suppliers. These applications can be found in the [Supplier Center](#).

Request A Single Sign On ID (SSO)

In the Supplier Center click “Single Sign-On Registration.”

The screenshot shows the top navigation bar with a search field and links for PRODUCTS & SERVICES, ONLINE TOOLS, OUR COMMITMENT, ABOUT US, and CONTACT US. Below this is a left-hand navigation menu with links for Home, About Us (including Press Center, Company Information, and Careers), and Supplier Center. The main content area is titled "Supplier Center" and features a "Powerful Relationships" section with an image of two hands shaking. This section describes the Supplier Center for Energy at GE and lists benefits such as reducing cycle time, creating and reviewing invoices, and conducting business 24x7. Below this is a link for "Gift and Gratuities Policy Reminder for Suppliers". At the bottom, there are two columns: "Tools" and "Helpdesk". The "Tools" section contains a red-bordered box with the text: "These applications are available 24 hours a day. First-time users must register at the [Single Sign-On Registration](#) page. Returning users need only login with your username and password." The "Helpdesk" section provides information on the availability of the eSourcing Helpdesk.

Search [SEARCH](#) > [PRODUCTS & SERVICES](#) > [ONLINE TOOLS](#) > [OUR COMMITMENT](#) > **ABOUT US** > [CONTACT US](#)

Powerful Relationships

The Supplier Center for Energy at GE provides access to tools through which suppliers can interact with GE's Energy organizations including sourcing, purchasing, finance, engineering, production control and logistics.

Using our tools, you can:

- Reduce cycle time by accessing timely information
- Create and review invoices and purchase orders easily
- Conduct business 24x7 at your convenience
- Reduce operational costs by streamlining processes
- Access information about our sourcing requirements
